## **Does 6 x 9 = Happiness?**

But in spite of his culture and his affectionate familiarity with our virtues and our faults his attitude to Europe, like that of nearly all true Americans, was conditioned by a subtle species of "inferiority complex", which manifested itself not, to be sure, in an inability to understand and forgive our misery and shame, but in a fear of understanding, a reluctance to understand which was due to a certain delicacy of feeling.

## **Does 6 x 9 = Happiness?**

But in spite of his culture and his affectionate familiarity with our virtues and our faults his attitude to Europe, like that of nearly all true Americans, was conditioned by a subtle species of "inferiority complex", which manifested itself not, to be sure, in an inability to understand and forgive our misery and shame, but in a fear of understanding, a reluctance to understand which was due to a certain delicacy of feeling.
