Asterion

This process should help the community be more open to receiving the communication and can lead to motivating them to change behavior and, ultimately, to improving their health and productivity.

Goat Mountain: A Novel

The early studies by Burgess 14 and Shaw and McKay 15 argued that residential mobility is an indicator of social disorganization because the generation of strong social ties is a slow process, thus, when people are constantly moving in and out of a neighborhood, residents do not have the time to build meaningful and trustful relationships. Too casual.
